BOUBALÉ

Les Mille et Une Nuits Tome II

BOUBALÉ BAR UNVEILS
LES MILLE ET UNE NUITS, TOME II

PRESS

A new chapter begins at Boubalé Bar. Following a celebrated first edition known for its singular vision and sensory depth, *Le Grand Mazarin* continues the journey with *Les Mille et Une Nuits, Tome II*, an immersive cocktail menu inspired by the timeless art of storytelling.

Designed as a living book, the menu invites guests to turn the pages of a never-ending tale, with each cocktail standing in as its own short story. Opening it feels like stepping into a night without end, where every drink echoes a story whispered in the dark and reimaged through the lens of elegant mixology.

In the bar's softly lit setting, textures, aromas, and ritual come together in a fully sensory experience. From crystalline, saline compositions to warmer drinks with Middle Eastern inflections, each cocktail reads as a chapter: evocative, enveloping, and meticulously crafted.

More than a menu, this second edition cements Boubalé as a destination in its own right: a cinematic space where bartending becomes a narrative, and each sip a moment suspended in time.

Conceived as part of an evolving trilogy, it invites guests to return, night after night, to discover what comes next.

From the enveloping warmth of Boubalé Bar to the electric intimacy of Le Petit Bazar, the experience unfolds as a continuous journey through the night, a passage between storytelling and sensation, where mixology, music, and performance echo one another.

Behind it all, a shared vision: Maisons Pariente's commitment to contemporary creation and emerging talent. At Le Grand Mazarin, the night isn't simply lived, it's imagined.

ABOUT

LE GRAND MAZARIN

Le Grand Mazarin is a five-star urban hotel set in the heart of Le Marais, just steps from the iconic Parisian city hall. Located at the corner of Rue de la Verrerie and Rue des Archives, the hotel serves as an art enclave, conveniently close to some of the best art galleries in the city. It features 47 rooms and 14 suites, the restaurant Boubalé, Boubalé Bar, the underground speakeasy Le Petit Bazar, and a wellness offering that includes a heated indoor pool, treatment room, hammam, and fitness studio.

MAISONS PARIENTE

Maisons Pariente is a collection of iconic five-star properties, founded by Patrick Pariente and his two daughters, Leslie Kouhana and Kimberley Cohen. Set in exceptional destinations, each address is conceived as a private retreat, with a meticulous attention to detail and gesture creating memories that settle in gently and endure over time. Each hotel reveals its own distinct personality, in harmony with its surroundings. Each property has its own light, rhythm, and language.

What unites them all, however, is a shared family spirit.

Today, the collection brings together four properties: Crillon le Brave in Provence, Lou Pinet in Saint-Tropez, Le Coucou MÉRIBEL in MÉRIBEL, and Le Grand Mazarin in Paris. In December 2026, Maisons Pariente will unveil its newest address, Hôtel Saint-Roch in Courchevel 1850.
